**What's Your Advice ... to "My Friend's Friend"?**

Dear Abby,

My roommate is dating a 16-year-old girl. It makes me very uncomfortable because he's 21. I think it may be illegal for an adult to have intercourse with someone under 18. Can he be arrested? Anyway, I don't know what he sees in such a young kid. Do you think there's something wrong with him? Should I do anything about this?
