|-----------------------------|--|
| 1) I Wanna Know | www.iwannaknow.org |
| 2) SexEtc Online Newsletter | www.sxetc.org/ |
| 3) TeenWire | www.teenwire.org |
| 4) SexEtc Website | www.rci.rutgers.edu/~sxetc/index1.html |

Questions/Activities:

1. Which incurable Sexually Transmitted Infection (also called Sexually Transmitted Disease) is the most common in the United States? How many people does it infect annually?

2. Drinking alcohol can increase a young person's risk for having sex and getting a sexually transmitted infection. Share two statistics from an on-line article that support this statement.

3. What is emergency contraception (also called emergency birth control)? How does emergency contraception prevent pregnancy?

4. **Challenge Question:** What are the five steps to "making a plan" to resist being pressured to have sex with someone before you are ready? (**Hint:** These are presented in an on-line article.)
